

Texas Children's Request for Amendment of Protected Health Information

You have the right to request an amendment of your protected health information maintained by Texas Children's if you believe the information is not accurate or complete. You must submit your request on this form. If the patient is a minor child, the legally authorized representative (e.g., parent) must request the amendment.

If your request for amendment is approved, the original documentation will not be changed or deleted. Your amendment will be appended or linked to the information that is being amended.

Texas Children's may deny your request for an amendment if it does not include a reason to support the request. In addition, Texas Children's may deny your request if you ask Texas Children's to amend information that: (1) was not created by Texas Children's, unless the person or entity that created the information is no longer available to make the amendment; (2) is not part of a Texas Children's designated record set, such as the medical record; (3) is not part of the information which you would be permitted to inspect and copy; or (4) Texas Children's determines to be accurate and complete. Texas Children's will respond to your request within 60 days.
