

HELP PATIENTS LIKE ROBERT FIND THEIR CURE

Join NMDPSM at Texas Children's Hospital to learn more.

Robert,
Searching Patient

For patients with life-threatening blood disorders like leukemia, lymphoma or sickle cell, a cure exists through a blood stem cell donation.

Robert was diagnosed with Sickle Cell Disease at birth. He currently needs a transplant, however he does not have a matched donor. Could you be his Cure?

Join the NMDP RegistrySM at our upcoming Registration event at Texas Children's

Thursday, July 11

9am-2pm - Auxiliary Bridge

8am-2pm - Feigin Tower, Lobby

Friday, July 12

9am-2pm - Auxiliary Bridge
